2014-15 Report to the Community

Student Achievement

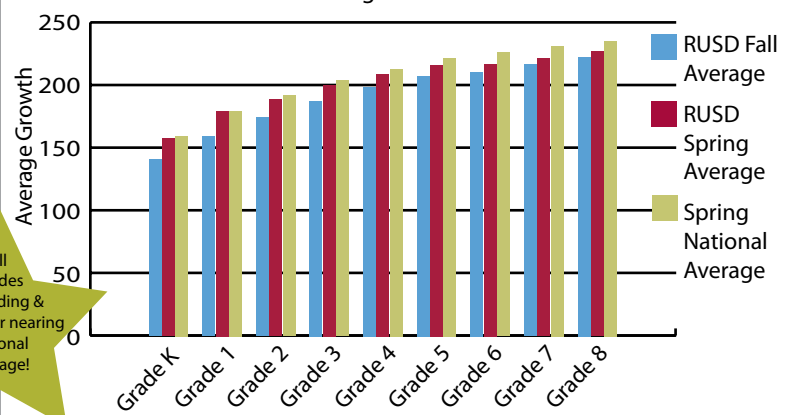

MAP Scores - Reading

Average Growth

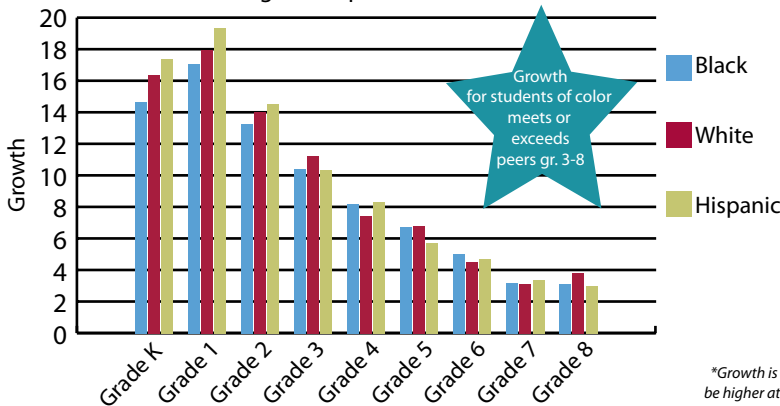

MAP Scores - Math

Average Growth

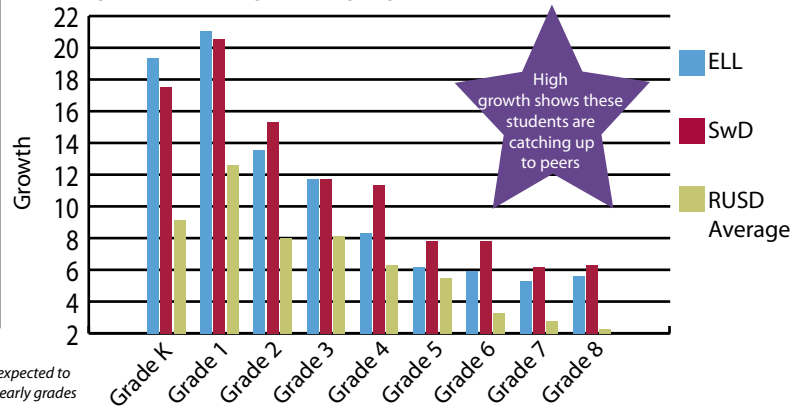

All grades in reading & math at or near national average!

Closing the Gaps - Students of Color*

Growth for students of color meets or exceeds peers gr. 3-8

Closing the Gaps - English Language Learners & Students w/Disabilities*

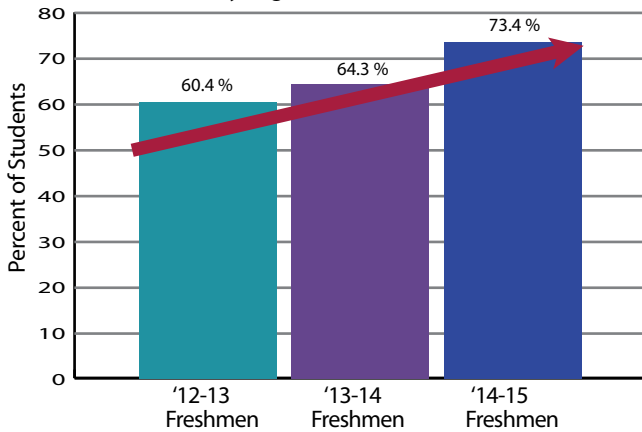

High growth shows these students are catching up to peers

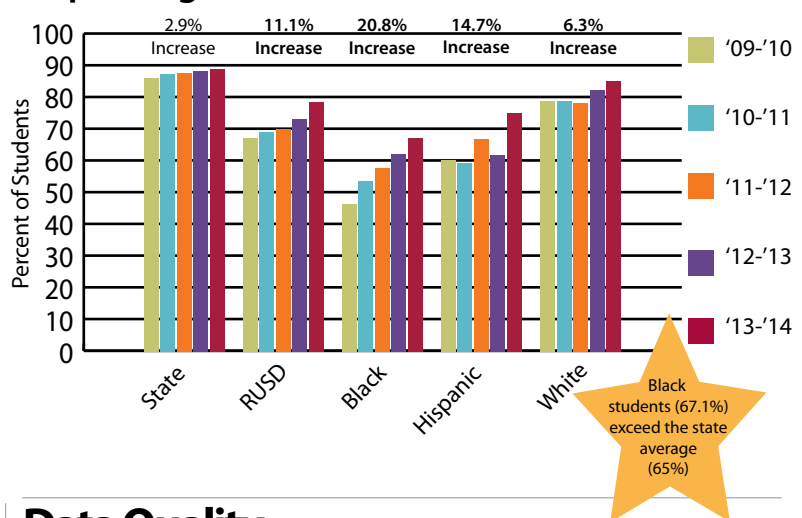

*Growth is expected to be higher at early grades

More Freshmen on Track to Graduation

9th grade students with 6 or more credits at the end of the year are 4 times more likely to graduate

Improving Graduation Rates - 4 Year Cohorts

Black students (67.1%) exceed the state average (65%)

Referendum

\$8.5M for 15 years, passed with **56% community support**

5,250 Chromebook laptops purchased to ensure a student to laptop ratio of 4:1 at all schools

Beginning construction for **new Knapp and Olympia Brown elementary schools** and **addition for Gifford** to become K-8

Major capital improvements underway at multiple RUSD schools

Data Quality

Launch **Infinite Campus** in fall 2015 to improve access for parents to grades, enrollment, attendance & data

Align business services and **ensure greater efficiency**

Improved Personalized Learning Plans & Student Learning Objectives that **support individual student growth**
